

[www.kidsfirsttoday.com](http://www.kidsfirsttoday.com)

The **Kids First** program focuses on how effective parenting during this time of transition can lessen the negative impact of divorce and parental separation on children.

**Kids First** was formed to improve the quality of the parental relationship by reducing conflict and impress on parents the critical role they play in their child's ability to adjust to the changes in their lives. The emphasis is on what parents can do proactively to circumvent negative consequences for their children. Evaluation results have been overwhelmingly positive.

### PROGRAM GOALS

- To assist parents in focusing on the needs of their children during the divorce process and the years to come.
- To help parents become aware of the damaging effects divorce can have on children.
- To assist families in coping with and surviving life after divorce with positive outcomes.
- To assist parents in parenting together while living apart.
- To teach parents to focus on the skills needed to avoid putting children in the middle of their own conflicts.
- To educate parents regarding the impact of parental conflict on their child's development.
- To understand the financial responsibilities of parenting.
- To educate parents about family violence, spousal abuse, and child abuse/neglect.

### Facts about Divorce

- One Million children are affected by divorce each year
- ✓ 60% of divorces involve children
- ✓ 30% of divorces are high conflict
- ✓ 60% of divorcees remarry within one year
- ✓ 60% of second marriages end in divorce
- ✓ 40% of second divorces involve children
